**Subject:** Davis Refinery link

Hi DJ,

Good talking with you.

Here's the link I found:

<http://drcinfo.org/2017/06/06/davis-refinery-air-quality-permit-application-hold/>

It's 'dated' June 6, 2017, so this info may no longer be valid and the air permit could be in progress again.

Thanks for your help, Roger
